Outdoor Concerts

I want to dine outdoors and dance to live music in the street again this summer on The Ave.

DID YOU MISS OUT LAST YEAR?

During the pandemic, the safest place to congregate was outside, so we made room for people to walk, dine, and dance outdoors. Back again this year for our third season of outdoor concerts, we are hosting evening performances when The Ave is closed to traffic on two Saturdays, May 20th and September 30th. This popular project:

- *Helps local small businesses recover and thrive once again*
- *Attracts customers to the U District during the summer season*
- *Promotes public space for social interaction to build more resilient, connected, and compassionate communities*
- *Gives a reason to take the train or bike to see live music outdoors*
- *Introduces great local musical talent to neighbors and visitors alike*
